OFFICIAL PAPER Cochise County.

THE TOMESTONE publishes the most complete telegraphic reports of any paper published in this city.

Andy Ritter made a clean sweep of the delegates yesterday, thereby distancing all competitors.

Col. C. C. Bean will be renominated for Delegate to Congress by acclination from present appearences.

Thos. Hunter who announced himself as a Democratic candidate for Sheriff has withdrawn in favor of John Slaughter.

The chilling newspaper posts have struck the Epitaph already if one were to Judge from the looks of its columns this morning. It did not make its appearence until nine o'clock this morning.

· Burke pulled off his coat yesterday and worked with a will for the winning candidates in the first and second wards. He is bound to get the nomination if he can by hard work, so he says.

. The Daily Democrat made its appearence this morning filled to the brim with interesting local and editorial matter. THE TOMESTONE wishes the Democrat success as its proprieters are newspaper men, and not livery stable chaimbermaids, and know how to conduct honorable Journal-

The Einights' Secial.

The social dance given by the Uniform Rank of the K. of P., at the Skating Rink last evening, was a very brilliant aff: ir. About forty couples participated in the dance which commenced at 9 o'clock and was kept up until "the rosy morn stood tiptoe upon the misty mountain tops," when all departed for their homes feeling that the night had been well spent and eagerly wishing that another such event would occur in the near future. The gentlemen were just too nice for anything in their guady uniforms, while the ladies with rich and attractive dresses were just charming

To the Public.

It having come to my knowledge that certain persons have circulated the report that I have withdrawn from the candidacy for Sheriff on the Democratic, I take this method of denying the same, as I am a candidate and will remain one until after the Democratic convention have concluded their labors.

A. T. JONES.

Jude Reilly seems to be the choice of the Democrats of this County for beyond a doubt receive the nomina-Convention when it meets. The Judge is a worker and will fight every inch of the way with any oppenent that may enter the fight with him.

The Latest About Geronime. Special to THE DAILY TOMESTONE].

WILLCOX August 31.—Geronimo and his band are now at San Bernarsent to Geneaal Miles at Wilcox. Geronimo states that he expects at least to have his life spared, as he would rather die on the trail than to be hung by the United States government. As to Gen. Miles intentions or what propositions lienient or other one knows as he is very reticent in re- tuilor.

THE DAILY TOMBSTONE gard to his movements. The Indiana are all in good condition and are all well mounted and have an abundance of supplies but are short of amunition But as Miles policy differs very much from that of Crooks it leaves them no method of remedying this difficiency The hostiles are continually on the alert against surprises by treachery or military strategy they have not cameed in a bunch but are seperated in two and threes thus preventing a possibility of a general attack on the part of American or Mexican troops. Despite the fact that Gerenius and his entire band deserves the extreme punishment that the law can inflict upon them for their numerous near ders and robberies it is natural to suppose that General Miles will take such action as will rid the country of these autilioats ate thearlist mement Captain Lawton and command are comped at San Bernardino but a short distance from Geronimo.
